

Special Religious Education Information and Participation Note

Dear Parents/Carers

A feature of the NSW public education system is the opportunity to provide time in class for education in faith and morality from a religious or non-religious perspective.

To support parents and carers in making their choice, our school website has information on the options available: <https://terradora-p.schools.nsw.gov.au/>.

A parent or carer may notify the school, at any time, in writing if they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent or carer has requested a change in writing.

For more information about Special Religious Education (SRE), including the list of approved providers, please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

Listed below are the options available at Terradora Public School. If your preferred SRE option is not available please contact the approved provider. Students not attending SRE are given supervised alternative meaningful activities.
